

OUR DECEMBER JANUARY TRADING

BioPak will be trading as usual through the holiday season, closing only on the public holidays, 25-26 Dec and 1 Jan.

Note our warehouses close at 12 midday on 22 & 29 Dec.

It is a very busy period and while we are operating as usual, our delivery partners can be stretched to capacity so we urge you to place your orders in advance throughout December – allowing at least one day extra for delivery.

Between **22 Dec 2017** and **2 Jan 2018** please allow an extra day on deliveries – there will be no same day deliveries.
