Customise your BioCup

Free custom colours and printing for orders above 1,000 cups

1. Choose your cup size

There are three sizes – 8oz, 12oz and 16oz

2. Choose your cup colour at no extra cost

Pick one colour for the cup from the table above (one colour/1,000)

If the colours above are unsuitable, custom colours are available at \$100 for each production run (min 1,000/size)

3. Choose your quantity

We offer free cup printing for a minimum order quantity of 1,000 per size and colour

4. Send us your logo/message for free printing

Free artwork setup

Colour printing available

One version/print run of 1,000

5. Embossing and colour variations available on the band and lid

Embossing and colour variations available on the band and lid. Embossing is free but a one-off tooling fee of \$2,000/size applies, and the minimum order increased to 3,000/size

Free artwork setup

Standard colours for sleeve and lid are green or white. If you require a custom colour the minimum order quantity is 3,000 units

If you opt not to custom emboss the bands and lids they will have the BioCup branding, as illustrated below

6. 12-week turn around time

12-week turnaround from artwork approval to delivery

7. No deposit and free pay-as-you-go storage

No deposit required

Free pay-as-you-use* storage for 6-months, subsidised storage rates available thereafter

Pay-as-you-use system allows you to request and pay for what you need, as you need it

You can draw down one carton at a time

8. Guaranteed same day dispatch on all orders

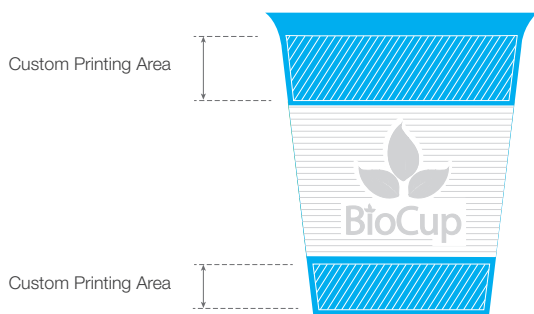

All orders dispatched same day (conditions apply)

9. Ongoing logistics management

We monitor your stock levels to ensure you never run out
