

PROTECTING THE RAINFOREST TO REEF

\$1 DONATION FOR EVERY **#rainforest2reef**

BioCup Art Series has teamed up with Rainforest Rescue and Great Barrier Reef Legacy to bring you the **#rainforest2reef** Art Series. The series features 17 artists whose work celebrates and raises awareness on the importance of protecting the ancient and biodiverse Daintree National Park and the Great Barrier Reef.

Use the hashtag #rainforest2reef on images of your BioCups on Instagram and BioPak will donate \$1 for every post till 15th January 2018.*

BioPak have already committed 1% of profits to Rainforest Rescue annually and together with their customers have adopted 9,000 trees and purchased three hectares of rainforest in the Daintree National Park since 2012.

All BioCups are lined with Ingeo™ bioplastic and made with sustainably sourced paper from managed plantations. Ingeo™ bioplastic is made from plants, not oil and it's production emits 75% less CO2 emissions compared to conventional plastic. They further reduce your carbon footprint as they are carbon neutral!

rainforest2reef.org.au

*Conditions apply. Up to \$10,000. This is in addition to BioPak's support to rainforest conservation, including 1% of profits donated to Rainforest Rescue. Together with their customers, BioPak have adopted 9,000 trees and purchased three hectares of rainforest in the Daintree since 2012.
